

BENEFITS OF A TAILOR-MADE SOLUTION:

Collaborative Networks

Facilitate information exchange, share best practices, and coordinate transition support between daycare centers and public schools.

Curriculum Alignment

Ensure daycare programs adequately prepare students for the academic expectations and social-emotional demands of public school education.

Targeted Professional Development

Bridging the gaps between daycare providers and public school educators.

Family Engagement Programs

Empower parents as partners in their child's education, fostering a sense of community between families, daycare centers, and public schools.

Centralized Support System

Guide students/families in finding the best school for their student and assist with the enrollment process.

ARE YOU SEEKING A POWERFUL MARKETING TOOL FOR PARENT RECRUITMENT?

What about innovative ways to better prepare your students for a successful transition from daycare to public school?

Look no further! The School Transformation Collaborative (STC) has designed an all-encompassing program that addresses the challenges children and their families face during this pivotal stage.

At STC, we understand that every child's educational journey is unique. Our goal is to ensure a seamless and nurturing transition for both children and their families, paving the way for academic success and emotional well-being.

LET'S EMBARK ON THIS EXCITING JOURNEY TOGETHER!

Don't miss out on this opportunity to revolutionize your daycare's approach to transitional support.

By partnering with STC, you'll be at the forefront of a movement that is reimagining early childhood education and ensuring that children from all backgrounds thrive in their academic journey.

We'd love to discuss our program in more detail and explore how we can work together to create a brighter future for your students and their families.
